QAR Strategy

IN THE BOOK	Right There  The answer is found in one sentence from the text.
	Think and Search  The answer is in the story, but you need to put things together to find it.
IN MY HEAD	Author and Me  The answer is NOT in the text. You need to think about what you already know, what the author has told you, and how it all fits together!
	On My Own  The answer is not in the text, it comes from you!
